REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

On the title page, the Assignee (73) as identified in the assignment filed March 29, 2002 --Corixa Corporation-- was inadvertently changed to "Corxia Corporation"

In column 144, claim 6, line 46, as amended October 27, 2003 --T cells specific-- was incorrectly changed to "T cells are specific". Due to claim canceling and renumbering claim 6 in the issued patent was claim 12 during the prosecution of the application.

JUL 28 2005

Attached is form PTO/SB/44, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the Commissioner is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
